# Highlights

## Unique OneBlade Technology

The Philips OneBlade has a revolutionary new technology designed for facial styling and body grooming. It can trim, edge and shave any length of hair. Its dual protection system – a glide coating combined with rounded tips – makes shaving easier and comfortable. Its

shaving technology features a fast-moving cutter (200x per second) so it's efficient – even on longer hairs.

## Durable OneBlade

The blades are designed for lasting performance. For optimal performance, you will only need to replace each blade every 4 months\*. Replacement is easy and hassle free.
